## President 2016-17

I would like to thank everybody for an excellent change over evening. My thanks go to all of the club members who have helped make my year as President Elect a memorable one. Our team for this year is now in place with Ray Hanson as President Elect and David Mansbridge taking over as Treasurer.

This year we are going to continue the excellent work carried out last year. Some of our aims remain and in particular I want to continue our work with the Youth of Branton. Another area of focus this year will be membership. We need new ideas to increase our membership, like most organisations new members are difficult to find. I am looking forward to the challenges that the coming year will present and I know the club can meet them all.

*President Roland*

## The Things Kids Say

**For all of you in education, with sons, grandsons, or who just love the things little kids say. A reminder that adult words are often taken literally.....**

A teacher noticed that a little boy at the back of class was scratching his crotch, and not paying attention. She went back to find out what was going on.

He was quite embarrassed and whispered that he had just recently been circumcised and he was quite itchy. The teacher told him to go down to the principals office. He was told to telephone his mother and ask her what he should do about it. He did and returned to his class.

Suddenly, there was a commotion at the back of the room. She went back to investigate only to find him sitting at his desk with his 'private part' hanging out. 'I thought I told you to call your mum!' she said. 'I did,' he said. 'And she told me that if I could stick it out until lunchtime, she'd come and pick me up from school.'
