Dr. Susanna Hill

Sun 24th June '18

Dear Mr Hancock

As the Chair of Braunton Rotary Club, please accept my very sincere thanks for the award given to me when I attended the Rotary Club meeting. Being named as Braunton Citizen of 2018 feels a very big honour. It was a very big surprise!

I have always felt truly blessed to work in

Braunton - the people here have given me far more than I have ever done for them. Working on the 'Live Well in Braunton' project feels really important for all of us in the Community and has taught me so much about the generosity of people who are prepared to give their time and energy to work for other people.

Please thank everyone at Braunton Rotary for the award.

With best wishes
Susanna Hill
