### District Governor Visits the Club

Our new DG visited on Wednesday 18th July assisted by Roger Byrom. Pictured here with President Ray and Past District Governor Dennis Watts. Robert Haynes carefully watches what's going on.

### Kira Farm

Dudley has received a note from this year's student at Kira Farm;

"Dear Dudley,

Thanks a lot for your reply and the photo. The maize crop is huge, why do you plant it for animal food. Here in Uganda we both eat the maize and use for animal food.

At the moment we are hosting a group of students from the UK and it has been fun learning from their cultures and knowing their way of life.

Seeing this group of visitors made me wish if I could ever be able to host you because you have been wonderful and helpful person.

Thanks a lot for your support.

Yours Kennedy"
