**A Very Merry Christmas and a
Happy New Year to all**

A Christmas Message from our President

Dear Rotarians

2020 a year none of us will ever forget. We probably read in fiction books that the world would suffer a pandemic but none of us thought it would ever happen let alone in our lifetime.

We all have had to quickly adapt to a different way of life. It has been hard.

For me it was from going out nearly every day to staying at home and not driving the car for three months between the end of March and June.

It was the same for many of you - having to shield and limit your contact with the outside world but yet it was wonderful to learn that the Rotarian friendship continued with many of you keeping in regular contact with each other.

Contact came in many ways - emails, phone calls and of course the famous musings, mumblings and ramblings from Tawstock. Lotte and Glenn have certainly kept us entertained with their fortnightly updates.

We also managed to set up monthly Zoom meetings (thanks to Ian) and this has proved to be popular. Someone said "You won't get the Braunton Rotarians to hold Zoom meetings" but you proved them wrong. Naturally we all look forward to meeting up and having lunch at the Williams Arms (what I would give for a slice of cheesecake!! with the cream - that is for Stan). Fingers crossed that at some point in 2021 this will happen.

This Christmas will be different, I know many families will not be able to meet. We need to be positive and look forward to the times when we can all come together again - it will come but it will take time. Bring on the vaccinations!

Dave and I wish you all a Merry Christmas and a Happy New Year. Stay safe stay healthy. With all good wishes

Beryl

Kira Farm Update

A message from our sponsord student Joel

I hope you are very well my dear friends. It has been a while since I last heard from you. I pray things are moving well with you. Life here has been not bad except for the virus which has kept us locked in one place. I have been okay here in Gulu doing a few building jobs and we have been meeting with other Kira trainees from the community who are helping us gain more skills. It is always a good time when we meet them. I do miss Kira and looking forward to when it opens next year so that I can go back to finish with the training. That is a time I can't wait to see! How have you been? I would love to hear! I will try to write to you next month possibly. Please stay safe always. Blessings and take care. Best Regards Joel

Kira Farm will hopefully be joining us on ZOOM during our January Meeting. Details to follow.

The Great Braunton Ball Race

We all missed this event in 2020, like so many of our other fundraising activities, the golf balls remained in the bag. Well standby to check those numbered balls, hopefully we will be able to let those pesky little balls roll in August 2021, subject of course to how things playout with Covid restrictions.

News from Braunton Academy

Due to Social Distancing and the Academy's Covid Safety Protocols Year 11 Interviews will not be held during this school year.

A main Club activity supporting the youth of the village, these interviews have been held for many years, hopefully the Club will be able to resume this worthwhile service next year

With the excellent news that a vaccine will soon be available, let us all hope this will allow life to return to normal as soon as possible and we can resume our weekly meetings. In the meantime keep in touch and our Zoom meetings will continue on a monthly basis. Stay safe, keep well.
