Being A Grandparent...

Sometimes it's tough to be a grandparent, especially when you are faced with comments from your adorable little angels, here are just a few to make you chuckle

1. When my grandson asked me how old I was, I teasingly replied, "I'm not sure." "Look in your underwear, Grandpa," he advised "Mine says I'm 4 to 6."
2. A second grader came home from school and said to her grandmother, "Grandma, guess what? We learned how to make babies today." The grandmother, more than a little surprised, tried to keep her cool. "That's interesting" she said. "How do you make babies?" "It's simple," replied the girl. "You just change 'y' to 'i' and add 'es'."
3. After putting her grandchildren to bed, a grandmother changed into her pj's and proceeded to wash her hair. As she heard the children getting more and more rambunctious, her patience grew thin. Finally, she threw a towel around her head and stormed into their room, putting them back to bed with stern warnings. As she left the room, she heard the three-year-old say with a trembling voice, "Who was THAT?"

North Devon Hospice Visit

On Wednesday 30th July The Rotary Club of Braunton were invited to visit North Devon Hospice. Twenty four rotary members attended the visit where we were given a tour of the hospice, explaining the running and work carried out. I think we all agree that the North Devon Hospice is a huge resource to our local area, offering excellent care and comfort to those families who are in need.
